- Optional internship teaching English in local highschools.

**Host Institution** - Our exchange partner is Universidad del Norte, a private institution located in Barranquilla on Colombia's northern Caribbean coast. **Courses** - UF students from all majors are welcome to apply. **Accommodation** - Students may live in dormitory-style residences located near the University or in private apartments. The Uni Norte International Student Center will assist with locating housing.

**Tuition and Fees** - This is a UF exchange program. Tuition at the host school is **waived** for exchange students. Students participating in an exchange pay tuition directly to the University of Florida at their usual tuition rate. All financial aid, scholarships, and fellowships are applicable. The UF International Center charges a nonrefundable \$425 application fee. **UF students may apply Bright Futures Scholarships, Florida Pre-paid Program, and other financial aid to program costs.**

**Other Costs** - Uni Norte recommends a monthly budget of \$650-\$800. This includes housing, meals, transportation within Barranquilla, and recreation. Students who plan to travel within Colombia or to neighboring countries should budget accordingly for those trips.
